CXP-HOG

CNC Appearance

Aggressive geometric surfaces enhance the unique new style.
Strong and powerful lines demonstrate this dynamic personality.
The CNC machined one piece upper receiver empowers the fighting spirit.

HIGH-OCCUPANCY HANDGUARD=HOG

CXP-HOG, the newly short barrel designed look with modern style. "Hog" is a symbol of strong explosion.

Compatibility

The Upper Receiver of CXP-HOG is compatible with CXP-UK1.

CXP-HOG

CXP-UK1

CXP-HOG

BE A GAME CHANGER

ICSAIRSOFT

Battery Stock Tube

CXP-HOG utilizes an all new rear wired gearbox. This incorporates a brand new hidden wire design within the stock tube. It is easy to replace batteries by removing the rear stock. The new hidden wire system keeps the wires protected from damage and allows the gun to look more realistic.

CXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

Rubber Block System

The Block system is adjustable to various lengths according to the battery used. This allows the use of different length batteries as well as protecting the battery and connector from accidental damage.

*Rear wired only

EXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

MTR Stock

The MTR stock is comfortable and ergonomic. Its is lightweight and adaptable with a Quick-Detach ring that allows other gear to be equipped.

EXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

MTR-S1 Stock

The MTR-S1 Stock features much more space for battery and it's a single piece molded stock made of high strength engineering plastic, and its TPR butt pad offers an astonishing amount of comfort, antiskid, and durability. In addition, the butt pad is easy to remove without the need of tools.

EXP-HOG

BE A GAME CHANGER
ICS AIRSOFT

UKSR Stock

The UKSR Precision Adjustable Stock provides fine tuning on the cheek piece height and the butt pad length, offering 12 precision adjustment levels for the custom needs of snipers. Additionally, UKSR offers a large battery compartment that allows larger capacity battery to be easily installed.

Free Float Tubular Handguard

Custom tubular front rail system

EXP-HOG

BE A GAME CHANGER
ICS AIRSOFT

QRS Stock

QRS Stock offers enhanced strength, stability and ergonomics. It is easier stretching to the position and adaptable with rear metal sling.

EXP-HOG

BE A GAME CHANGER
ICS AIRSOFT

Newly Designed Flash Hider

Compared to the regular AR flash hider, the CXP-HOG is much more exciting.

Flip-Up Sights

Iron sights quickly pop up and fold to deal with a variety of battle situations.

CXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

T Magazine

The innovative 300-round high capacity magazine provides players maximum firepower. It is specially designed to provide players a quick way to see how many BB's remain in the magazine. The skid-proof magazine shell provides excellent grip for all weather conditions. Players can reload the magazine rapidly and quickly return to the battlefield.

Enlarged Trigger Guard

Enlarged guard design is much more friendly for players wearing gloves.

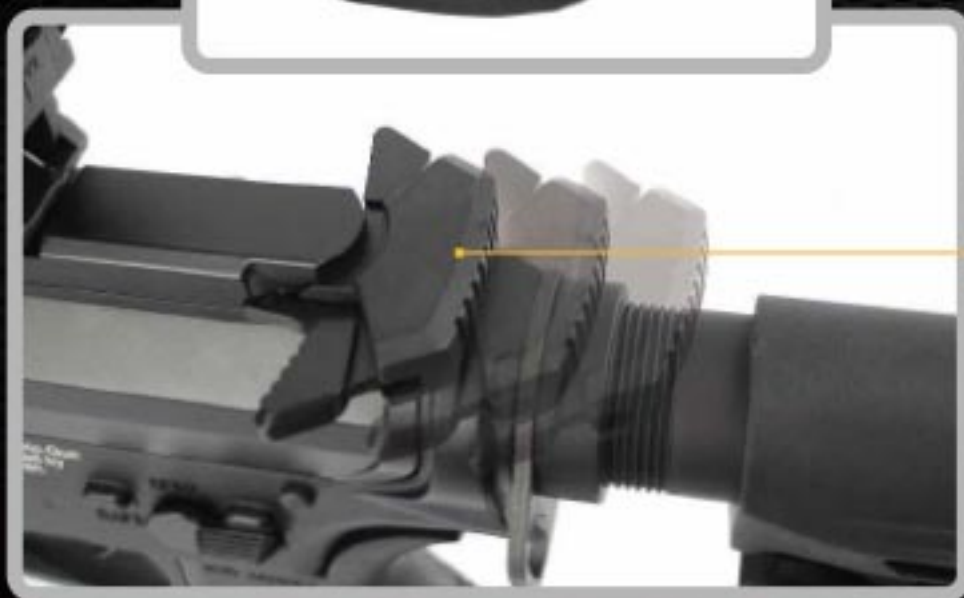

EXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

Ergonomic Pistol Grip

Easy to use and more comfortable during long patrol missions, the grip also provides more control for intensive combat situations.

Charging Handle

Ambidextrous operation design is convenient for both right-handed and left-handed players.

CXP-HOG

BE A GAME CHANGER
ICSAIRSOFT

Spring Release Function

The ICS Spring Release actively protects the spring, piston and your airsoft investment. This innovative design integrates the safety selector lever and the spring release function. The spring is automatically released when you select Safe on the selector switch.

Sling Mount

Double sided ring, sling can be attached from either side.

EXP-HOG

BE A GAME CHANGER
ICS AIRSOFT

Split Gearbox

Consistent with ICS superior design, the gearbox is easy to disassemble and convenient to maintain and repair.

Super Durable

Factory installed upgraded reinforced piston, metal H-UP unit, reinforced MIM pinion, and bevel gear. These features allow the gun to operate smoothly and reliably.
